- 1. Eugenio VEGAS Latapie, one of Don Juan's advisors who has been living in Switzerland, was in Lisbon about 10 November 1948 and will remain in Portugal in the entourage of the Pretender.
- 2. Both VEGAS and Pedro SAINZ Rodriguez have expressed displeasure with the actions of Jose Maria GIL ROBLES. Source commented that the reason for that displeasure was probably to be found in GIL ROBLES! attitude toward Don Juan's interview with General FRANCO.
- 3. GIL ROBLES feels certain that a secret agreement exists between FRANCO and Don Juan, and says that he has become disillusioned by the Pretender's actions, being convinced that as long as FRANCO remains in Spain no possibility exists for reaching a normal situation, either nationally or internationally. GIL ROBLES, according to the informant, intends to be less active in relation to Don Juan than he has been in the past.
